

Take a trip to the home base of medicine

Agenda

- EFIM Academy Organization Structure and Process
- Components of Academy Content
- Accreditation
- Academy Platform Layout & Navigation Review
- Progress Report and Statistics

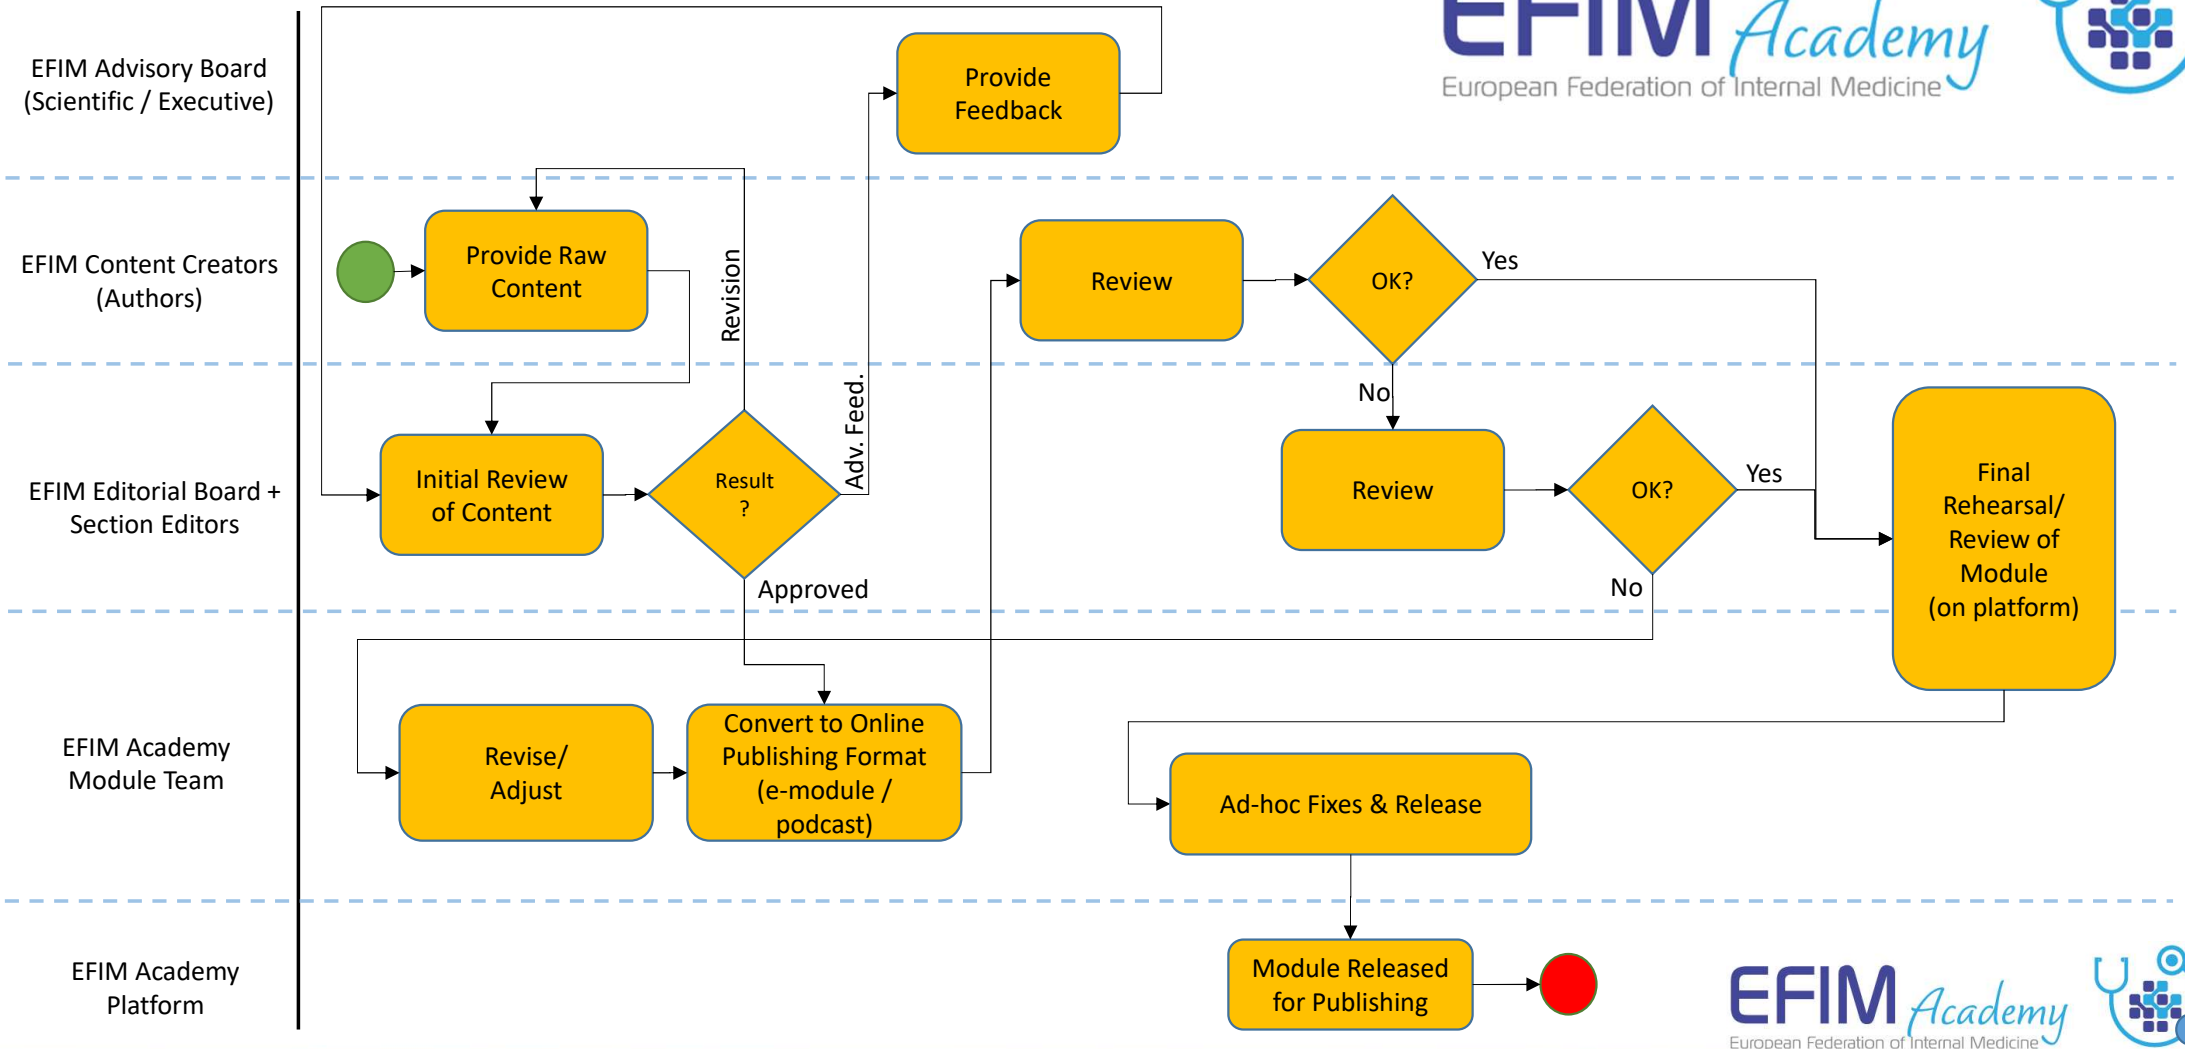

EFIM Academy Organization

*Past, present and president elect of EFIM are designated members of the Executive Advisory Board

**Editor-In-Chief is designated member of the Scientific Advisory Board

Content Creation Process

Content Components Explained I

Component	Description
Latest News	A sliding window on the home page to announce latest news, if required, with links to detailed info on internal/external pages.
Channels	Thematic collection of e-learning content for easy access without the need to browse the entire EFIM Catalog.
E-Learning Module (Module)	Training content in the form of presentations, videos along with collateral document repository and built-in quizzed/tests in pre-and post-learning stage. Community contribution and Q/A section possible. Optional multi-language versions with translation, voice-over and subtitles. Congress presentations and webinars will be processed to fit in.
Podcasts	EFIM Academy, anytime anywhere!

Content Components Explained II

Component	Description
Challenging Cases	Interesting case studies with in-depth analysis by the case submitter. Open to contribution from community members using a forum and possible Q/A section (subject to approval by case submitter). Sources: ESIM, ECIM, EJCRIM, community submissions
Debate	Discussion by speakers with controversial opinions on disputed trending topics
Highlights of Congresses	Congresses that an internist needs to follow to be spotted Podcasts/ video recordings/ interviews to briefly summarize the trends, groundbreaking information from each selected congresses Best posters from ECIM
Guideline Summaries	Dedicated pages to summarized guidelines on patient management topics with a link to the full guideline document, including updates & versioning.
Bulletin / Newsletter	Dedicated pages to newsletters.

Accreditation

- EFIM Academy Platform is in the process of being accredited by **European Accreditation Council for Continuing Medical Education (EACCME)**
 - Each learning-module should have at least 4 graded multiple-choice questions
 - Passing score: 75%
 - Smaller modules < 1h will be packed together into learning plans
- Accreditation points automatically tracked by the platform
- Certificates digitally distributed automatically to learners
