Venue: Park Inn by Radisson Danube Hotel, Bratislava, Slovakia

Course dates: 3 – 5 November 2023 (Friday to Sunday)

Arrival: Friday, 3rd November

Departure: Sunday, 5th November (or optional Monday, 6th November)

Dear Friends,

It is our pleasure to host the fifth postgraduate course of the European Advanced School of Internal Medicine moving from Riga, Latvia to Bratislava, Slovakia in 2023. The program is designed to provide you with clinical updates and also help you to develop your non-technical skills such as communication, teamwork, and conflict management – to give you the best possible help as a specialist in Internal Medicine. The onsite course is designed on the well-proven platform of the European School of Internal Medicine (ESIM) for residents, so there will be also plenty of opportunities for networking and socialising in a friendly and international atmosphere.

The applicants must be fluent in English and, ideally, depending on the country's training background, with experience up to 7-10 years after completing training in Internal Medicine but also more experienced internists (or related specialists) as well as last year residents are welcome to participate.

At the Advanced School, we aim to accept up to 15-20 participants from European countries. Composing the group, we will try to keep it balanced based on experience, motivation, and geography.

The registration fee package (course AND hotel) is 550 Euros Early Bird (600 Euros regular) fee per person which will include the following: accommodation in Park Inn by Radisson Danube Hotel (4*) for 2 nights (3-5 November 2023), all meals, school facilities, internet access, educational materials. You will receive the invoice upon successful selection for the course.

We can provide detailed invoices and letters of support on request, as well as certificates upon completion of the course. We might facilitate with the additional night booking (package fee is 650-700 Euros for 3 nights, double rooms available per request).

Special price for local participants (without a hotel) – 300 Euros.

Travel costs are a responsibility of the participants. The city and venue is best accessible from Vienna airport by bus (detailed instruction will be given for participants), no official transfer will be organised.

The topics of the programme and preliminary timetable is available at the website: www.easim2023.eu (if no access to application link, register your interest directly)

For Participants:

please, fill and submit the application link ASAP by Monday, 18th September (Early Bird), by the 9th October for the Regular Fee.

[\[EASIM 2023 Application Survey link HERE\]](#)

We expect to finalise the confirmation by Friday, 22nd September. The participation fee must be paid within one week of the confirmation.

On behalf of the School, I look forward to hearing from you soon.

With kind regards,

Dr. Ieva Ruža

Director of EASIM in Bratislava (Slovakia)
