

# Introducing the EFIM Early Career Group

Frauke Weidanz

Consultant in Acute Internal Medicine and Critical Care  
Edinburgh, United Kingdom

EFIM GA March 2021

## Aims of the EFIM Early Career Group

Support professional development for 'Early Career' Internists

Facilitate networking across Europe and shape specialty identity

Develop future leaders and role models

Disseminate values and benefits of EFIM

Add creativity and new impulses to EFIM

Ensure EFIM activities and congresses are relevant to 'jobbing' internists

**Matthias Raspe - Berlin**

**Ieva Ruza - Riga**

**Frauke Weidanz - Edinburgh**

**Gemma Ortiz - Barcelona**

**Alberto Tosoni - Rome**

**EFIM ECG**  
European Federation of Internal Medicine  
Early Career Group

**EarlyCareerInternists@Europe**  
@InternistsEFIM

The Early Career group @ EFIM (European Federation of Internal Medicine) brings together internists from Europe who want to develop their professional skills
